Colorado Springs Health Foundation Evaluation:

Approach, Learnings and Next Steps

Presenters:

Cari Davis, Colorado Springs Health Foundation and
Elena Harman, PhD, Vantage Evaluation

In 2017, Colorado Springs Health Foundation worked with an outside evaluator, Vantage Evaluation, to design an evaluation framework that achieves three goals: inform strategy, assess alignment and drive learning. Join us as we share the process, the learnings, and how CSHF plans to use the insights. This session will also have time for participants to ask questions and learn along with us.
